

## Come Curious. Leave Caffeinated.

Grab a cup and enjoy a balanced blend of activities, from coffee chats and eye-opening exhibits to live demos and a high-pressure latte art competition. There's fun for future coffee fans, including face painting and balloon art. Shop gifts from makers and artists to elevate your at-home coffee experience. Keep your energy up with food and beverages from local roasters, brewers, bakers and restaurants. Above all, have fun and take in the heartwarming aroma of a coffee-loving community.
